SPORTS INFORMATION

The Office of Sports Information at Lynn University, under the direction of Chad Beattie, is responsible for the day-to-day publicity efforts of its 11 NCAA Division II sports for men and women. The primary functions of the Lynn University Sports Information Office are to service and accommodate the media in its coverage of the entire intercollegiate athletics department.

The Sports Information Office, located in the de Hoernle Center, handles a myriad of press services, including, but not limited to, the issuance of credentials, the publication of media guides, game programs and press notes as well as maintaining statistics and upkeep of the website.

Members of the Sports Information Office will assist you with any day-of-game needs, including player and coach information, in-game statistics and post-game notes and quotes. Journalists and media covering Lynn University Athletics benefit from working in a professional and comfortable environment.

Members of the Sports Information staff are on call virtually every day of the year, 'round the clock in an effort to enhance the coverage of Lynn University athletics.

Please kindly adhere to the following guidelines when covering Lynn University athletics during the 2009-10 academic year.

EXCERPT FROM ATHLETICS MISSION STATEMENT

The role of the athletic program is to support the overall University mission. Intercollegiate competition has been an integral part of higher education in America for more than a century. The University endorses the concept of "Athletics as Education" described in the policy statement adopted by the American Council on Education in 1984, which cites key contributions of athletics to the individual, the institution, and society as a whole, as follows:

"Among these contributions are the development of discipline, teamwork and self-confidence of individuals who participate, the improvement and substance of institutional reputations and morale, and the heightening of visibility that aids in recruitment of students and financial contributions." The basic premise underlying these very positive contributions is that athletics is, and must continue to be, an important part of the educational process.

CREDITS

The 2010 Lynn University Baseball Media Guide is a product of the Lynn University Sports Information Office. The Guide was written and produced by Chad Beattie and Jeffrey Messman. All Studio photography by Brad Broome and action shots by JC Ridley. Layout and design by Chad Beattie and Rob Gertzman and media guide cover design by Kevin Quadrozzi.

GAMEDAY SERVICES

Prior to all home contests, members of the media will be supplied with the latest information including up-to-date statistics, current rosters, media guides and game notes when applicable. At halftime and following each contest, statistics will be furnished as well. Media members needing space to file post-game stories will be provided a desk and phone lines somewhere in close proximity to the site of the event. A fax machine will also be provided to members of the media as well.

GAMEDAY INTERVIEW PROCEDURES

Following the NCAA-mandated 10-minute cooling-off period Lynn University coaches and student-athletes will be made available to address the media post-game. Members of the media should inform a Lynn University Sports Information representative as to whom they wish to speak with following the game to make the process flow smoothly. As a general rule all Lynn coaches and student-athletes will be unavailable for comment on gamedays prior to the start of competition. The interviews will generally take place in a pre-determined area adjacent to or in the immediate proximity of the particular team's locker room or bench area. Every effort will be made to make visiting coaches and student-athletes available to the media as well. All locker room facilities and the training room are off limits to the media at all times.

NON-GAMEDAY INTERVIEWS

All interviews with Lynn University coaches and student-athletes will be arranged through the Sports Information Office with at least 24 hours notice given. Coaches can normally be contacted in their offices during the mornings while interviews with student-athletes are encouraged to be conducted either prior to or following practice. Media wishing to attend practice must make arrangements at least 24 hours in advance but are subject to closure at the discretion of the head coach or athletics administration.

CREDENTIALS

Credentials for all Lynn University home contests are available to members of the working print and electronic media. Simply contact the Sports Information Office to be credentialed. For members of the local media, all-sport credentials will be issued.

NCAA GUIDELINES AND THE MEDIA

Media members should be aware of several NCAA Rules that apply to student-athletes. If there is ever a question if any media-related activity or event involving a Lynn University student-athlete could evolve into a possible NCAA violation, contact the Office of Sports Information for an interpretation. Areas of concern include:

Coaches and University Officials cannot make comments on prospective student-athletes until

they sign a National Letter of Intent. A coach cannot comment on a prospective student-athlete who verbally commits to an institution. Moreover, the Office of Sports Information cannot release any information of prospective student-athletes until a signed National Letter of Intent is received.

Coaches and athletic staff are not permitted to write guest columns for publications.

Do not ask student-athletes to endorse products.

Commercial photographers cannot provide student-athletes or their families with images free of charge.

Student-athletes may not be used in advertisements or endorsements of products, including media-related publications or on radio.

Student-athletes are not permitted to conduct interviews for 1-900 services.

Returning eight letterwinners and three starters from a year ago, the Lynn University Baseball team looks to capitalize on its experience and depth to return to the top of the Sunshine State Conference standings. The Fighting Knights went 16-13 overall in 2007-08 and finished 8-8 in league play, earning a fifth-seed in the SSC Tournament where they advanced to the semifinals.

Back for the Blue and White are seniors Randy Jones, Dusty Pflugner and Luke Postorino along with junior Anthony Balsam and sophomores Michael Baptiste, Chris Hall, Michel Vidal and Michael Woo. Also returning with a year of the Knights' system under his belt after sitting out last season is redshirt junior Brandon Kennedy.

"We have the luxury of returning a good amount of players from last year's team," head coach Scott McMillin said. "It's great that they've had a year of playing together to work with, but we're still a very young team."

With 10 underclassmen on the roster, it helps that the Knights have a trio of seniors running the point. Jones started 22 games for Lynn as a junior and Postorino led the squad in minutes per game with 32 a contest. A three-year letterwinner for the Blue and White, Postorino has played in 56 games for LU since transferring from LeMoyne College while Jones is just 168 points away from reaching the 1,000 career mark, including his two seasons at Division I Long Island University. Throw Pflugner, another D-I transfer from Virginia Military Institute, into the mix after fully recovering from an injury plagued junior year and the Knights have seasoned depth at one of the most important positions on the floor.

Hall, who set the Lynn single game scoring record with 42 in the SSC Tournament against Florida Tech, and Kennedy will give the Blue and White dual scoring threats on the wings. Add in the athletic Baptiste and sharp-shooting Balsam and Woo, and the Knights have plenty of

scoring options returning at the two-guard spot. Newcomers Kendall Butler, Jared Paul, Pascal Schuler and Mike Tanner will provide much needed depth for the grind of the upcoming season.

Lynn will be replacing a pair of outstanding big men in Ed Millard and Hans Schur that have graduated and signed professional contracts in Europe. Vidal will build on his progressively impressive rookie year as a mainstay in the middle and be joined by talented newcomers John Brown, Jonathan Johnson and Bo Jukic.

Highlights of the 2009 season include exhibitions against cross-town Division I foe Florida Atlantic and Bethune-Cookman, the annual DoubleTree Guest Suites Holiday Classic and five teams that were ranked in the top-25 by the National Association of Basketball Coaches last year.

"We have always taken the philosophy of playing a tough non-conference schedule, and this year is no exception," McMillin said. "I thought our non-league schedule last year really helped us develop the young team we had and the experiences we gained in November and December really came out in February, which is when we want to be playing our best basketball."

A pair of exhibitions against D-I teams will prep the Knights for another season of tough non-conference action. Lynn will face Florida Atlantic at FAU Arena on November 5 before hosting Bethune-Cookman at the de Hoernle Center on November 8.

"This is the first time since I've been at Lynn that FAU has agreed to play the game and Coach [Mike] Jarvis kindly has agreed to start it up once again," McMillin said. "We both believe that it is great for both programs as well as for basketball in the city of Boca Raton." Opening the regular season with a three-game homestand, the Blue and White host St. Thomas (Fla.) in the opener on

November 15 before bringing Palm Beach Atlantic and Puerto Rico-Mayaguez to Boca Raton the next week.

The Knights longest stretch away from home is a four-game span in late November and early December. Lynn travels to participate in the Eckerd Thanksgiving Classic in St. Petersburg to battle Franklin Pierce and Puerto Rico-Bayamon on back-to-back days before heading to Flagler and Florida Tech the first week of December.

Returning to Boca Raton after the SSC opener at Tech, the Knights play in the friendly confines of the de Hoernle Center for the next eight contests. Beginning with a showdown against West Liberty State, ranked as high as third in the nation at one point last season, the Blue and White then welcome Valdosta State and Chestnut Hill to participate in the DoubleTree Guest Suites Holiday Classic.

"This year's field for the Doubletree Guest Suites Holiday Classic is strong," said McMillin, "Playing Valdosta State and a new D-II program in Chestnut Hill, it should be a great weekend of basketball and we are excited about hosting the classic once again."

The Knights open their full SSC slate with three games to close out the eight-game stretch, taking on Nova Southeastern, Eckerd and Rollins all in the second week of January. Other key home conference match-ups include defending champs Florida Southern on January 24 and rival Barry on February 25.

"Our non-league schedule is very difficult once again, and the SSC will be as strong as ever," said McMillin. "I think the SSC has grown into becoming one of the premier basketball conferences in the country"

Lynn University has earned 95 Academic/Scholar All-America honors in its history

COACHING STAFF

Rudy Garbalosa begins his 10th season as the skipper of the Lynn University baseball team. The program's all-time winningest coach, he added much more to his legacy in 2009 when he guided the Fighting Knights to their first NCAA Division II National Championship and the school's 19th overall. Garbalosa holds an all-time record of 296-203 (.593) and 106-96 (.525) in Sunshine State Conference play. Prior to him being named head coach, he served two years as an assistant under former LU mentor Greg Kilby.

Garbalosa is also the only coach in the school's history to tally six years of 30+ wins in his career. Lynn has recorded 30+ victories in 11 of the program's 25 seasons. The man known as "Garbs" has coached three Sunshine State Conference Player-of-the-Year selections, 28 All-SSC and 25 All-South Region honorees and five All-Americans.

The 2009 season was special from the start as the Blue & White boasted 14 seniors. Lynn shattered 15 records under the direction of Garbalosa, including posting a school mark of 46-16 overall. The Knights became the first team since Tampa in 2006 to go undefeated through NCAA regional and national play while going 25-7 against teams that were nationally ranked. In addition, the ABCA/Rawlings National Coach of the Year oversaw the development of SSC Pitcher and Male Student-Athlete of the Year Dan Wright, who lead the NCAA in victories with 15, as well as Kansas City Royals draftee Gabe MacDougall.

Boasting one the top offenses the program has ever seen in 2008, Garbalosa watched as his team mashed a school record 83 home runs while scoring 425 runs, second most at LU. The defense also soared to new heights as it committed the fewest errors (78) and recorded the best fielding percentage (.960) in the Knights history. Adding icing to the cake was Lynn finishing first in the nation in double-plays per game (1.15) for the second time under his watch.

In 2007 he posted a third consecutive winning record (32-24) and narrowly missed a return trip to the NCAA South Regional Tournament. The Fighting Knights had many positives through the season, including winning their first SSC series against two-time defending NCAA Division II National Champions Tampa, earning a program-tying five SSC Players of the Week and having Nicolas Boisvert named the program's first Rawlings/ABCA and Daktronics First Team All-American.

Always known for its stellar defense, Lynn finished fourth in the nation in double-plays per game (1.09), marking the second consecutive year it finished in the top-five.

Although the record was consistent with year's past, 2006 proved to be Garbalosa's most successful season as he led the Fighting Knights to their first ever NCAA post-season appearance and victory, a 12-7 win against Albany State.

Lynn led the nation in double-plays per game (1.21), set season records for triples (17) and total bases (931) and finished in the top-five in school history in hits (2nd-594), RBI (2nd-370), walks (2nd-286), home runs (3rd-65) and doubles (5th-108). The Knights were also the only team in the nation to beat NCAA Division II National Champions Tampa twice during the season.

Garbalosa rebounded in 2005 after a difficult 2004 season to tie his career-high in victories and set a new program record for Sunshine State Conference wins, helping the Blue and White finish 35-21 overall and 14-10 in the SSC.

The 2005 squad finished fourth in the Sunshine State

Conference, swept the season series against NCAA Division II National Champions Florida Southern and saw five members earn SSC Player-of-the-Week honors, tying a program record.

In 2003, Garbalosa led the Knights to 35 wins and 13 SSC wins, the highest totals since 1996 when the team won 41 games. The 13 wins set a then-program record for the most conference wins in a season.

A 1990 Long Beach State graduate with a degree in mathematics, Garbalosa lettered with the 49er for three seasons as a second baseman. The Los Angeles-area native began coaching right away, serving as the head coach at his alma mater, Bishop Montgomery (Calif.) High School for four seasons before becoming a Division I assistant at Loyola Marymount. There, he spent two seasons as the Lions' third base coach and academic advisor.

Garbalosa moved to El Camino (Calif.) College in 1997 where he spent one

season as the top assistant coach for the Warriors. The 36-year old Garbalosa then relocated to the east coast, serving as the head coach at LaSalle High School (Miami, Fla.) before coming to Lynn in July 1998. After two seasons as the Knights' recruiting coordinator he was named head coach when Kilby departed to become an assistant at Maryland.

During the past four seasons, Garbalosa has served as the South Region Chairman for the American Baseball Coaches Association All-American Committee and most recently was named the national chair for the ABCA All-America Committee.

Born Rudy Garbalosa on September 26, 1967 in Los Angeles, he is married to the former Cristina Cuevas. The Garbalosa family includes son Luis, 14, and daughter Natalie, nine, and resides in Boca Raton. In his spare time, he enjoys playing golf and reading.

Donovan O'Dowd begins his fourth season with the Lynn University baseball team and second as the top assistant. In addition to his duties working with catchers, aiding with in-game strategies and coaching third base, he is in his second year as the Fighting Knights recruiting coordinator. Prior to taking his place in the dugout, O'Dowd played two seasons as a catcher for the Blue and White.

During his time as a coach, the Knights have become one of the premier defensive teams behind the plate in the Sunshine State Conference. Under his tutelage catcher Kyle Holloway has led the SSC in baserunners thrown out the last two seasons, gunning down 56% of stolen base attempts (52-of-93) in that time, almost double the amount of the next catcher.

A career .309 hitter, O'Dowd batted .342 his first season with the Knights before battling through injuries in 2005. The Torrance, Calif., product reached base safely in his first 22 games and in 28 of the 32 games he played as a senior. He improved his fielding percentage to .990 and caught 31.6% of base stealers.

Born Donovan Wesley O'Dowd on June 23, 1983 in Culver City, Calif., he graduated from Lynn University with a degree in Communications in June of 2006 and is currently pursuing a Masters in Business Administration.

4TH SEASON

Assistant Coach **DONOVAN O'DOWD**

Beau McMillan begins his second season on the bench with Lynn University following stints in the minor leagues and independent baseball. In addition, McMillan is one of the top offensive players in Knights' history after four highly successful years with the Blue and White led to him being drafted by the Florida Marlins in the 39th round of the 2004 draft. With Lynn, McMillan is responsible for first-base and hitting coaching duties while helping with the development of both the infield and outfield.

The only player in program history to garner First Team All-Sunshine State Conference accolades twice, McMillan left LU with program records for doubles (49), total bases (394), runs scored (200) and stolen bases (77). He also finished in the top-five for games played (196) and started (194), hits (251), at-bats (758), triples (8), home runs (26) and runs batted in (119).

McMillan began his professional career with the Gulf Coast League Marlins before being twice promoted to the Jamestown Jammers of the New York Penn League and the Greensboro Grasshoppers of the South Atlantic League. Before his playing days were through, he had advanced to the Marlins Triple-A affiliate, the Albuquerque Isotopes.

Following his playing career, he worked with Perfect Competition, a company that promotes performance enhancement, skill and professional development and sports nutrition.

A 2004 graduate with a degree in business administration, McMillan resides in Delray Beach.

Jeau McMillan begins his first season on the bench with Lynn University following stints in the minor leagues and independent baseball. In addition, McMillan is one of the top offensive players in Knights' history after four highly successful years with the Blue and White led to him being drafted by the Florida Marlins in the 39th round of the 2004 draft. With Lynn, he will take over first-base coaching duties while helping with the development of both the infield and outfield.

The only player in program history to garner First Team All-Sunshine State Conference accolades twice, McMillan left LU with program records for doubles (49), total bases (394), runs scored (200) and stolen bases (77). He also finished in the top-five for games played (196) and started (194), hits (251), at-bats (758), triples (8), home runs (26) and runs batted in (119).

Lynn University

About the University...

Lynn University is an independent, nonprofit, higher education institution, located in Boca Raton, Fla., which stresses individualized learning, innovative approaches and an international focus among its students and faculty.

Founded in 1962, the university originally received accreditation by the Southern Association of Colleges and Schools in 1967 and has upheld the high standards of the committee ever since. Today, more than 2,400 students from more than 80 nations and nearly every state come to receive Lynn's unique learning experience and educational value. With one-quarter of its population made up of international students, Lynn has been at the top of the list of "highest number of international students" in U.S. News and World Report's Guide to Colleges for the last three consecutive years.

Lynn offers a nationally recognized undergraduate program that combines innovative approaches to liberal education with professional, career-focused degree programs. In addition to its colleges of business, international communication, arts and sciences, hospitality management and education, the university houses specialty programs including the Conservatory of Music, School of Aeronautics, a Flight Academy that offers flying lessons and pilot licenses to the general public and the Institute for Achievement and Learning, which is an international pioneer in developing successful teaching strategies for students with learning differences.

Through the Dialogues of Learning, Lynn's university-wide core curriculum, students develop the essential skills, knowledge and habits of heart and mind that prepare them for a successful career, personal fulfillment and engaged citizenship in a global society.

In Lynn's professional degree programs, students have the opportunity to integrate specialized knowledge and skills with hands-on, experiential education, a hallmark of the Lynn undergraduate experience.

Lynn's faculty are gifted educators dedicated to teaching and fostering a passion for learning in every student. With a faculty-student ratio of 16 to 1 and an average class size of between 15 and 20 students, the classroom is a learning environment in which students are an active participant.

Focusing on individual needs and aspirations, Lynn University also offers students the chance to self-design their own major as well as accelerate their degree program and graduate within three years.

Lynn's mission is to inspire students to fulfill their individual potential and achieve success in their chosen profession and the community. As an intentionally small, learning-centered community, the Lynn educational experience is designed to focus exclusively on students' unique needs,

aspirations and goals while also celebrating the richness that a diverse, international community offers for personal, intellectual and professional development.

The university's academic programs also include specific, specialized offerings that can further enhance the educational experience, such as the Honor's Program for academically talented students, and the Institute for Achievement and Learning, a nationally recognized program that provides a vast array of individualized services for students with specific learning disabilities.

About the Campus...

Lynn University is situated on a picturesque 123-acre campus, landscaped with indigenous flowers and tropical trees among seven freshwater lakes. Students thrive in the university's state-of-the-art contemporary facilities, which include: classroom buildings, men's and women's residence halls, a library, sports and recreation center, student

center, international academic center, University Club gourmet dining facility, fitness center, auditorium, chapel and dining hall, all of which are air conditioned. In addition, Lynn University's campus also features tennis, basketball and sand volleyball courts, an outdoor swimming pool and soccer and baseball fields. All of this is located only three miles from the Atlantic Ocean. Lynn University is also proud of its reputation as one of the safest university campuses in the country.

About Boca Raton...

Located on Florida's exclusive "gold coast," Lynn University is situated between Palm Beach and Fort Lauderdale, in the heart of Boca Raton, which offers a cosmopolitan atmosphere with hometown appeal. The fast-growing city attracts Fortune 500 companies, including IBM, Motorola, Sensormatic and Siemens, providing excellent internship and employment opportunities. Transportation is also easily accessible with Boca Raton centrally located in close proximity to three international airports.

Lynn University President **DR. KEVIN M. ROSS**

Dr. Kevin Ross was named the fifth president of Lynn University, succeeding his father, Dr. Donald E. Ross, who was Lynn's president for the past 35 years. He took office July 1, 2006.

Kevin Ross has held numerous administrative positions in educational institutions, including Lynn. In his most recent role preceding his presidency as chief operating officer (COO), Kevin

initiated and oversaw completion of Lynn's long-range strategic plan with the aid of Dr. George Keller, noted higher education strategic planning expert and author of *Academic Strategy: The Management Revolution in American Higher Education*. The long-range plan titled, "Lynn 2020," provides a blueprint for developing Lynn University over the next 15 years (www.lynn.edu/2020).

Kevin came to Lynn in 1999 as associate dean of the Eugene M. and Christine E. Lynn College of International Communication, where he facilitated installation of its state-of-the-art broadcast journalism curriculum, studios and equipment.

Kevin also served as director of special projects, director of development, and vice president of

institutional advancement before assuming the COO position in 2004. Under his guidance, the institutional advancement division has increased in size, scope and achievements. It has embarked on ambitious plans to raise funds to support several new campus expansion projects and academic program enhancements.

Kevin earned his A.B. degree in English in 1994 from Colgate University and his Master of Arts in Liberal Arts in 1997 at St. John's College in Annapolis, Md. He recently received his doctorate in higher education leadership and policy from Peabody College of Vanderbilt University. His dissertation topic was "Bridging the Gap: A Multi-Case Study of the Adoption and Implementation of Instructional Technology in Higher Education."

In addition to receiving in-depth leadership education from his father, Kevin Ross has served as admissions officer and associate director of admissions at two independent schools, The Hill School (Pottstown, Pa.), and Avon Old Farms School (Avon, Conn.). His first higher education post was assistant to the president of Wilmington College (Wilmington, Del.).

He has served on the Palm Beach Literacy Coalition board of directors, the President's advisory board of Pope John Paul II High School, and the founding board of directors of Boca Raton Educational Television. He also is currently serving on the Boca Raton Chamber of Commerce Board of Directors and is a member of the Economic Council of Palm Beach County.

He and his wife, Kristen Carr Ross, are the parents of a daughter, Ainsley, and a son, Graham. Kristen is the President of the Junior League of Boca Raton, as well as the owner of a clothing business.

Lynn University Sr. Vice President **GREGORY J. MALFITANO**

Gregory J. Malfitano has been associated with Lynn University for over a quarter of a century – 37 years to be precise – and has been a part of its growth from Marymount College to the College of Boca Raton to Lynn University. Presently, Malfitano serves as Senior Vice President for Administration. His administrative duties cover a wide span of responsibilities including oversight of the intercollegiate athletic program.

Malfitano was instrumental in the Fighting Knights' move from the National Association of Intercollegiate Athletics (NAIA) to the National Collegiate Athletic Association (NCAA) Division II and the Sunshine State Conference. Under his leadership, Lynn University has won 19 national titles and 25 conference championships. Malfitano is presently a member of the Sunshine State Conference Sportsmanship Committee.

Born to Beatrice Bradshaw Malfitano and the late Dr. Anthony Malfitano on June 20, 1953 in Syracuse, New York, Malfitano is one of seven siblings. Raised in Syracuse, he attended Bishop Ludden High School, which a short time ago honored him as an "Outstanding Alumni of the Class of 1971." Malfitano went on to earn an Associate Degree from Marymount College, a Bachelor's Degree from

Wilmington College, and a Master's Degree from Central Michigan University.

A recipient of the Outstanding Alumni Award from Lynn University in 1991 and the Lifetime Achievement Award in 1998, Malfitano currently serves as Vice President of the One Hundred Club of Palm Beach County and was honored with the 1998 University of Notre Dame Exemplar Award for

God, Country, and Notre Dame.

Married to wife Barbara, the couple has two sons.

Kristen Moraz begins her fourth year as Lynn University's Director of Athletics. She is the sixth AD in school history and second female to hold the position. She previously served as Associate Athletics Director and the Senior Woman Administrator with the Blue & White.

Under the leadership of Moraz, Lynn has re-established itself as one of the premiere NCAA Division II programs in the nation. During her time on the job, the Fighting Knights have made 18 NCAA tournament appearances, won seven Sunshine State Conference titles and claimed the 2007 Men's Tennis and 2009 Baseball national championships. In addition, LU jumped 54 spots in the National Association of Collegiate Directors of Athletics All-Sports Directors' Cup.

Her commitment goes further than the field of play as the Blue & White have been champions in the classroom as well. An average of 114 student-athletes per semester have earned grade point averages of 3.0 or better under her guidance while over 250 student-athletes have received SSC Commissioner's Honor Roll recognition.

Moraz currently sits on the NCAA Men's Soccer South Region Advisory Committee. She previously served as a member of the NCAA men's Tennis South Regional Advisory Committee, SSC Basketball Championships Committee and chaired the 2007 SSC Men's and Women's Basketball Championships, hosted by Lynn University for the first time in school history.

During her time as Associate AD, the Columbia, Md. native handled a myriad of duties for the 11-sport Fighting Knight program, including overseeing budgets, supervising coaches and teams and serving as co-advisor to Lynn's very active Student-Athlete Advisory Committee (SAAC). She was as also a representative on the NCAA Division II Softball South Region Advisory Committee (2004-06).

ATHLETICS DIRECTOR
KRISTEN MORAZ

Moraz is well aware of what Lynn student-athletes go through on a daily basis as she competed on the hardwood for the Knights from 1993-97. She was a four-year letterwinner for the women's basketball team and served as team captain during her senior year. Moraz was part of the Knights' 24-5 squad that advanced to the NAIA National Tournament its inaugural season.

She also found time to be a campus leader, serving as Student Government Association president during her senior year, a member of the Knights of the Roundtable honorary society and recipient of the Trustee's Medal, the university's highest honor for a graduating senior. Moraz earned her Bachelor of Science in Business Administration from Lynn in 1997 and a Master of Business Administration from Lynn in 2000. She is currently an ABD doctoral candidate at Capella University's School of Business.

Following her playing days, Moraz spent time in the private sector and as Lynn's student activities coordinator from 1998-2000 before returning as Assistant Athletic Director in the summer of 2002.

She has also served as a mentor for Lynn's freshman transition program, First-Year Experience.

A 1993 graduate of Hammond High School in Columbia, she played on the Maryland Class 2A State Champion Golden Bears girl's basketball team. Her high school accomplishments led Lynn University to recruit Moraz for its first women's basketball team in 1993.

Moraz is a member of the National Association of Collegiate Women Athletics Administrators (NACWAA), National Association of Collegiate Directors of Athletics (NACDA), Division II Athletics Directors Association (DII ADA) and volunteers with the Greater Boca Raton Chamber of Commerce.

The epicenter of the Fighting Knights Athletics Department, the Count & Countess de Hoernle Sports and Cultural Center sits in the heart of the Lynn University campus. Completed in 1993, the center is the home court for the Lynn University volleyball and men's and women's basketball programs. Lynn's 18 National Championship banners hang proudly from its rafters.

Housing four team locker rooms and one officials locker room, two athletic training rooms and laundry facilities, the de Hoernle Center also contains offices for all of Lynn's coaches and administrators. During volleyball and basketball games fans can relax in the retractable chairback seating on one side or sit close to the teams on the retractable bleachers. The combined seating capacity is 1,000.

The front lobby is home to the Michael & Julie Chadwick Wall of National Champions, a space that has plaques recognizing the Fighting Knights National Championship teams, and six trophy cases which hold the many NAIA and NCAA individual and team honors of Lynn's 11 programs. The de Hoernle Center is not just used for athletics; the gym floor is converted at the start of each academic year for Orientation and at each year's conclusion for Commencement.

A new addition was welcomed into lobby of the de Hoernle Center in 2008, the Athletic Hall of Fame. Eighteen former student-athletes and administrators are honored on the wall for their accomplishments while with the Blue and White.

The first basketball game held on the floor came on Dec. 28, 1993, as the LU women downed Michigan-Dearborn 99-72. The Knights men's team played its first game on the floor two days later, besting Findlay 103-93 on Dec. 30, 1993. The first-ever Lynn volleyball game at de Hoernle was on Sept. 12, 1996.

Home to the Fighting Knights' outdoor sports, the McCusker Sports Complex is the site of the baseball, softball, soccer and tennis teams at Lynn University and has been the host of Sunshine State Conference and NCAA National and Regional Tournaments.

The only home Lynn soccer has ever known, the McCusker Sports Complex Field has seen its share of shining moments in Fighting Knights soccer history. With its plush Bermuda grass playing surface, the field is nestled on the southwest corner of Lynn's campus. Six national championship teams have played on the soccer field formerly known as "the graveyard."

Team benches and accommodations for the media, game staging personnel and administrators are located on one side of the field with two sets of covered bleachers and a concession stand on the other side. From 1996 to 1998, the field was the place to be to witness NCAA Division II National Finals.

The Lynn women took part in the 1996 NCAA championship game while the Fighting Knights men took on Cal State-Bakersfield in the 1997 title tilt. The Lynn women captured the 1998 final on the field, downing Sonoma State 3-1 on Dec. 6, 1998. Recently the men's soccer team defeated Lander 8-0 on Nov. 10, 2005 in the NCAA Division II Quarterfinals, the second largest margin of victory in the program's illustrious post-season history.

Lynn's baseball field is located on the southeast corner of campus, sharing a border with Military Trail and Potomac Road. Long home runs can be seen crossing mid-day traffic as the Blue and White play all of their games during the day. Recent facelifts to the field include a new scoreboard in right field with the 2009 NCAA Division II National Championship banner, new Bermuda grass infield and outfield and a crushed brick warning track. Dimensions are 315-right field, 355-right center, 405-center field, 365-left center and 325-left field.

The softball field is located adjacent to the baseball field and share outfield bleachers. This field saw a program record 88 home runs sail over its fences in 2005, which are 190 down the lines and 220 to straightaway center field. The softball field received a face lift in 2006 with the possibility of a new stadium in the near future.

Boasting a combined seven national championships and 12 Sunshine State Conference titles, Lynn University's men's and women's tennis programs will usher in a new era beginning in 2009 with the Perper Tennis Complex. The state-of-the-art million-dollar complex contains a total of six courts, covered chair-back stadium seating, an electronic scoreboard and is the first outdoor lighted facility on the Lynn campus.

Although not on situated on campus, the Lynn men's and women's golf team take advantage of some of the best courses that Boca Raton has to offer. The women's program practices at three local golf clubs, Boca Lago Country Club (www.bocalago.com), Boca Woods Country Club (www.southfloridacountryclub.com) and Boca Delray Country Club (www.bocadelray.net) while the men's squad calls both Ocean Breeze Golf & Country Club (www.oceanbreezegolf.com) and Boca Country Club (www.bocaresort.com/golf) home.

Sunshine State Conference

Founded in March of 1975, the Sunshine State Conference has risen from a single-sport organization to become the NCAA Division II "Conference of Champions." Started as a basketball conference, The SSC has since grown steadily in sports played, membership and national prominence. A weekly check of national rankings in nearly any Division II sport proves the point, as SSC member institutions consistently find themselves ranked amongst the nation's elite.

Now with nine full members, the SSC is the proud owner of some 69 NCAA Division II National Championships in baseball, men's basketball, men's and women's golf, softball, men's and women's tennis, men's and women's soccer and volleyball. The Orlando-based league recently added to its already full trophy case with Nova Southeastern claiming its first national championship in women's golf and Lynn University capturing its first baseball national title.

The SSC currently crowns regular-season champions in volleyball, men's and women's soccer, men's and women's basketball, baseball and softball. The league also administers season-ending tournaments in men's and women's soccer, men's and women's basketball, men's and women's golf, men's and women's tennis and women's rowing.
